

MMT: Installation Guide

- 1. Installation

1. Installation

1. Log into your Confluence instance as an admin.
2. Click the admin dropdown and choose Add-ons. The *Manage add-ons* screen loads.
3. Click Find new add-ons from the left-hand side of the page.
4. Locate MMT - Manage My Tree via search. Results include add-on versions compatible with your Confluence instance.
5. Click Install to download and install your add-on.
6. You're all set! Click Close in the *Installed and ready to go* dialog.
